26th Jan 2010, Mr. V. Singiah, Ex Society President of Kanaparru village, distributing prizes to NICE children.

Dear Friends

Please accept our heartfelt thanks to every one who have supported NICE during these past eight fruitful years. Our phenomenal progress from 10 children (2003) to 175 children today (by June) is because of your encouragement and support. No wonder, our children demonstrated great generosity during the October floods in Andhra Pradesh by collecting Rs. 60,000 and donating to 150 families in Juvvalapalem village in Guntur District.

In the past year NICE has progressed well. In spite of the recessionary trends we were able to raise Rs. 53.9 lacs, added approximately 6000 square feet, bought 1.1 acres across the road from the current school for the purpose of establishing a separate girls school, got showcased in a TV program (MAA TV) and received several other accolades. Perhaps, the most gratifying event of this year is the fulfillment of our long-standing dream - a new facility exclusively for girls! I am elated to announce that the first phase of this new 4,500 square feet facility will be ready by July'10.

From a modest 2.37 Lacs contribution during April-2002 to March-2003, we were able to raise 53.9 Lacs during the past year. A mere 4% was spent towards administrative expenses, which is slightly more than last year but undoubtedly quite low in this category of schools, which rely on individual donations. We also have been acclaimed as one of the best governed NGOs in terms of our transparency in accounts and financial management. Representatives from several institutions visited NICE, appreciated our work from the bottom of their hearts and contributed towards development in the areas of improving academics, school infrastructure, expanded library and purchase of land to build a new school exclusively for girls.

As it has been in these past eight years, none of our board members have claimed a single rupee so far and continue to serve free. As the only full-time board member with NICE, I too have not drawn a single rupee as salary, thanks to friends and well wishers like 'Asha for Education – USA' - Mr. Abhilash Nama, Mr. Kashyap, Mr. Deep Karan, Mr. Sreekanth Voorakaranam and Mr. Karthikeyan, Mr. Prasanna Kumar, Mr. Giri Kolanupaka and 'Bibo Water' who take care of my personal needs. I sincerely thank 'Silver-Oaks' school founder, Mr. Dhanunjay and Principal, Ms. Seetha Murthy, to have agreed to provide free schooling for my two children.

As you are aware all our students passed last year's 10th standard public examination conducted by the NIOS board (National Institute of open Schooling, Ministry of Human Resource Development, Government of India). Since our school does not offer 11th & 12th standard education, the last year's passing out children are being supported by individual donors on school fees and we continued to provide free accommodation and food in our school.

This academic year (2010-11) we plan to add 50 children, 25 into the current boys school and 25 girls into the new girls school. We have always kept the student to teacher ratio low (13:1) so as to deliver high quality education and support to students. We also added another 400 books to the library this year increasing to a total of 1200 books (all new books!), including several monthly magazines and newspapers.

We are extremely grateful to MAA TV for show casing NICE in their launching episode of 'Velugu Veluginchu'. This program gave us amazing reach and recognition, which resulted in several donors expressing interest in reaching to us. Our heart-felt thanks to Mr Giri Kolanupaka, Asha-Hyderabad for maintaining the website www.nice-india.org. The website is updated regularly and allows website visitors to download all our Annual Reports.

Our sincere special thanks to Asha volunteers to have raised money under their 'Asha Work An Hour (WAH)' initiative, MAA TV, Intelligroup Asia Pvt Ltd, Natco trust, HBL power systems ltd, Samhita group, Helping Indians, amazing people like Anutara & Partha, Sudha & Hariprasad, K Udaya Bhaskar Rao, SL Sivaraj and many others.

I also thank Rotarians for awarding me 'Vrutthi Seva Puraskaram' on 08-Dec'09. I was personally thrilled to have shared the dais along with Pullela Gopichand. The award 'Silver Oaks School award - 'Leader in me!' - being recognized by another school is very special.

About the School

Our fully free 'NICE' school is located in Mynampadu village, Kanaparathi Panchayat, a remote village between Narsaraopet and Chilakaluripeta in Guntur district of Andhra Pradesh, India.

Admission process

We admit students in to the school between the 5th and 10th Standard under the CBSE system. These students are typically school dropouts who are orphans or bonded labor children or single parent children and are admitted in the school without any payments. We thoroughly check the applicant background to ensure only eligible and deserving students are selected. We also started to build girl's campus on Jan 2010 and is under construction now. If any of you know anybody who would like to refer any needy girl child, you can get in touch with us.

Teacher Profiles

NICE is blessed to have an excellent faculty, who are extremely committed to the cause and are constantly learning to perfect and hone their skills. This year a few of our faculty visited the famous 'Rishi valley School' founded by the great philosopher Shri JD Krishnamoorthy located in Madanapalle in Andhra Pradesh. A team from 'Butterfly Fields' (<http://www.butterflyfields.com/>) visited our school and trained our teachers in improving their skills.

The year ahead (2010-11)...

As we stated last year, we believe that we have to reach out to the most needy and illiterate girl children and hoped to start a special school for girl children by 2010. We are starting the girls school this year with 25 students. We also hope to expand the Science Lab and improve staff housing to accommodate 8 units.

We have raised 20 lakhs just to construct staff quarters. If any of the donors would like to contribute for additional expenses and construction of girls home, please donate to this cause.
