Dear Friends,

Thanks to your sustained support and contributions, we were able to raise Rs. 96 Lakhs in 2014-15 under challenging circumstances to continue the work of NICE. When one compares this to the Rs. 2.38 Lakhs raised in 2002-03, it shows how far we have come. It is also noteworthy that this year, contributions have also come from children of Silver Oaks School. These contributions will help 140 boys and 80 girl students and 25 staff (teaching and non-teaching) members in separate campuses and the staff quarters. We were able to build a new 5000sft building and also received CBSE affiliation. As per CBSE norms, we developed laboratory facilities, and built infrastructure for sport activities in the way of volleyball and basketball courts. We are also trying to get NCC camps run in our campus. We have started campus cleanup and green initiative as part of the Swaccha Bharath mission. The local village and premises have been adopted for the clean and green work by our children.

We have been inviting good speakers to our school to give lectures and speak to our children and staff to impart moral values and promote good behavior. Every child in our school is also given training for life education and self-discipline with values so that they can stand on their own feet once they come out of the school. This year onwards, we decided to support our children who passed out of 10<sup>th</sup> Std from NICE or completed 12<sup>th</sup> Std from other schools to join any organization for a job or as a trainee. The children of our school who have completed 10<sup>th</sup> and 12<sup>th</sup> are continuing to study outside and getting accolades for our school in the process. Some of them are even topping their universities and colleges. We feel proud about their NICE roots and gratified to see our working bearing fruit.

Our special thanks to NATCO Pharma Ltd, Netenrich Technologies Pvt Ltd, Charities Aid Foundation, Samidha Group, MPCR Memorial Charitable Trust, Asha Hyderabad chapter, Shiv Shakthi Bio Plant Tech, Tatva Set, Krishnaveni Degree College, Silver Oaks School, State Bank of Hyderabad, Butterfly Edu Fields, Sri Vidya Mitra Mandali of Chilakaluripeta for their contributions and interactions with the children and staff of NICE. Of the donations that we receive every year, more than 96% is spent on the children and school, with every single rupee accounted for. Our auditor, Mr. G. Sambasiva Rao as always has been solid in his support of NICE. Within 15 days of the financial year closure, we were able to get our financial audit completed and published this annual report. Special thanks to Dr. Srikanth Voorakaranam, K. Jeevan Babu, Giri Kolanupaka (also our webmaster) for making this happen in such a short time.

All the donors and well-wishers who visited our school and met our children felt very happy looking at the growth of the organization and the all-round development of the children. We look forward to your continued involvement and support for NICE during 2015-16 as we take the next steps in this journey.

G. Anjanetyulu,  
Director, NICE

## Message From The Principal

In continuation of our work since inception, we are taking utmost care of all our children and focusing on their all-round development.

We have joined the Swacha Bharath campaign along with our children. They are not only involved in the cleaning up of our campus and taking up green initiatives by planting trees but the same is also being done in the nearby village and premises. Children provided drinking water in summer camps to the needy and distributed blankets and fruits to poor people in the rural areas around our school.

Children learnt moral values from the visitors from Nachiketa Tapovan. They are now able to chant slokas without any hiccup. Nageswara Rao from Eenadu Journalism school also gave a good talk to the children. Mr. Jayaprakash interacted with our teachers. Mr. Mallikarjun Rao, who is an expert on calligraphy, talked to the children on how to improve on their handwriting. Mr. Vijay Ram gave a presentation on organic farming.

Such life skills will be very useful for our children once they complete their education. This year our alumni students have formed an association and are supporting our children with their experiences.

The CBSE affiliation and the good results shown by our students in the board exams are testament to the dedication and hard work put in by all the staff of NICE. They have our heartfelt thanks for this.

We really appreciate the fact that many of our donors and well-wishers from the community visit the school, spend time with the children and share a meal with them. Since most of the children are orphan, they value these interactions immensely and this means a lot to them.

# What do others think about NICE

## **G. Jayaprakash, Ex-Principal, Rishi Valley, Madanapalli**

I saw the school and children during my visit. The discipline of the children was clearly visible and is an outcome of the hard work and dedication of the teaching staff.

## **G. Rajnikanth (USA), K Yatish Kumar**

We saw the school and quite surprised to know that this school is run on charitable basis, but still has all the facilities and infrastructure of any corporate school. After our visit from USA, we saw that this is the only school with CBSE affiliation which have so many lab facilities, sports and other activities.

## **Vijayaram, Emerald Mithai Shop**

I have visited the school along with Mr. Nageswara Rao and Mr. Mallikarjun Rao who is an expert in Calligraphy. I felt very happy looking at the children and their discipline. I have decided to support two children for their education and other expenses for their life.

## **Ajit Narayana Nallari, President, Tatvaset IT Architects Pvt Ltd.**

I last saw NICE School about 5 years ago. Back then, there was only a small campus for boys with about 100 children. Now there are almost equal numbers of girl children with separate campus maintained very well with hygiene at par with IT companies. It was really nice to see the food habits of the children. None of the children wasted any food while eating and washed their own plates and glasses.

## **Giri Kolanupaka, Asha Volunteer**

I have been contributing in maintenance of website for NICE and helping with the annual report for the school. As a volunteer of Asha Hyderabad, I keep visiting the school and my commitment is to help the school grow on a sustained basis.

## **Nathani Venkateshwarlu, Principal, Krishnaveni Degree College**

I keep visiting the school and feel very happy that this is located in my village. I have been in education field for the past 20 years. I have rarely seen such discipline in the students and commitment from the teaching staff elsewhere. I myself found it a challenge to achieve the same in other schools or colleges that I worked with.

## **B. Ramakrishna Raju, RTI convener**

I saw the NICE School about 10 years ago. This time, when I saw it again, the school is totally different with its so much of development and growth.
