After a challenging 15 years of the organization, starting with 10 children in 2003 and now with 275 children. The very first initial donations were 2 lakhs in the first year of our start. It has now reached to 1.33 crores from several donors all over the world. All the donors who have visited the school and organization have very much liked the growth of the organization, the school. There was no single donor who has gone back but has been donating ever since. We thank all those donors who have been donating and helping us from the start. We as administrative staff, volunteers, teaching and non-teaching staff have been giving education to children with social values, life skills, environment protection, humanity, and making the children self-sustained by providing skills to get in to the current society with entrepreneurship skills with values. So far there were no children who have failed in any of the subjects from 10<sup>th</sup> standard. But rather most of the children have fared so well that some of the children got good accolades, awards, and admission to prestigious colleges. Few children got admission in to Satya Sai University, Bangalore in M.Tech, MA Academics, B.Sc Hons, and other domains. NICE has been encouraging their children to get in to higher studies. For this NATCO Chairman, VC Nannapaneni is helping financially to these children who wanted to pursue higher studies. Some other companies like NetEnrich Technologies and Silver Oaks school, NTTData, SVS Projects India Pvt Ltd, Microsoft, Anuthara, keeping women education in mind, helping the girl children education of NICE. Entity Data also donated two vans for the transportation of grocery and children for emergency purposes. There are few children who are doing ITI in fitting and electrical, Amar Raja batteries, Sundaram motors, and Royal Enfield companies have recruited some of the children from NICE after their ITI.

There are many other schools management people who have visited and learnt many things from us and they have given lot of insights to our school management, teachers and children along with financial help. The children who came out of our school have been observed by the management of other colleges/universities they join to be doing quite well, not only in education or academics but also in their behavior, being innovative, sports and in other aspects. There is also much support from the local village, nearest town and also from various other locations like Hyderabad and abroad as well. We have been having our audit done and making the annual report by mid-April itself. This is much appreciated not only by the accountants but also by every donor and others.

From the last 15 years the organization and the school has been growing in every aspect, not only in number of children, but also in infrastructure, number of teaching and non-teaching staff and including the donors. The school organizes celebrations for all religions. There will be guests and have them talked to children, organize excursions, social trips etc. The children who got out of the school and have acquired jobs have formed as alumni and they meet regularly, every year on 6<sup>th</sup> May at the school. They spend a day or two at the school and share their experiences, all the good things they had to the current children, and also give support financially and voluntarily to the school.

Every child takes some responsibility on their own in several activities like cleaning, cooking, maintenance, gardening, etc. This and the discipline in our students is most liked by the donors who visit our school.

In spite of the current market conditions, there are still donors coming forward to donate and help our organization.

As a principal's view, we faced lot of hurdles in education. Mr. Ravula Apparao, Principal of NRI College, Guntur, P. Ratna Geetha, Ex Principal, Bharathiya Vidhya Bhavan, Mrs. Phanishri, KLP Public school, Guntur, T. Vijayalakshmi, Principal, Geethanjali School, Hyderabad, Narayanappa, Javahar Navodaya Vidyalaya, Maddirala, S. Ganapathi, Nasaraiah, MSc Physics, Rani Rudramadevi, Director, Vignan, Viswanath, Usha, Sailaja, Tattvasat Global School, Hyderabad, Butterfly Edu Fields Hyderabad, have come to our school and to gave academic inputs to us, our children, motivated and encouraged all of us. NICE teaching staff and management are happy to have such institutions visit and encourage us. Our school children can grow in their career and lead happy and prosperous lives. We have a very good library, laboratories for all subjects and good playing space for all children.

Management and Staff,  
Needy Illiterate Children Education
