Annual Impact Note: Needy Illiterate Children Education

Message from the Secretary

Dear Friends, Supporters, and Esteemed Well-wishers,

*It is with deep gratitude and a strong sense of responsibility that I present this year's Annual Impact Report of Needy Illiterate Children Education (NICE). Over the past **24 years**, NICE has evolved into a mission-driven organization committed to delivering education-led social transformation, empowering underserved children and strengthening marginalized communities across Andhra Pradesh and Telangana. Our journey is defined by consistency, resilience, and measurable outcomes. We take immense pride in achieving a **100% pass rate in CBSE Grade 10 examinations for 18 consecutive years**, a milestone that reflects not only academic excellence but also the effectiveness of our structured learning ecosystem. More importantly, our commitment extends beyond school education, as we continue to support our students in accessing higher education opportunities, enabling **first-generation learners** to pursue professional careers and **break the cycle of poverty**.*

*Despite operational challenges, including staff constraints during the year, NICE ensured uninterrupted academic performance through the support of experienced educators, mentors, and domain experts, whose guidance strengthened subject knowledge, examination preparedness, and student confidence. Alongside academic excellence, our focus on holistic development was reinforced through **healthcare awareness initiatives**, emphasizing hygiene, preventive care, and overall well-being.*

*During the current year, NICE significantly expanded both the **scale and depth of its interventions**, supporting over **4,800 beneficiaries** across education, essential supplies, and community welfare initiatives. One of the most impactful milestones has been the **distribution of nearly ₹ 1.5 crore worth uniforms** to tribal students, which has directly contributed to **improved school attendance, enhanced dignity, and inclusion**. In addition, the establishment of **4 community libraries with over 12,000 books** in Nagarkurnool district has created **long-term knowledge infrastructure**, fostering reading habits and sustained educational development in rural areas. Our outreach further included the **distribution of educational materials, groceries, and essential supplies** to underserved communities, addressing both immediate survival needs and long-term development goals. The provision of **sports equipment** encouraged youth engagement and physical well-being, while our **timely disaster***

response efforts ensured that flood-affected families received critical support. We also extended our initiatives to support **civic workers, including GHMC personnel and security staff**, by providing uniforms and protective gear, reflecting our commitment to inclusive welfare across both rural and urban communities.

All our initiatives are aligned with the United Nations Sustainable Development Goals, ensuring that our grassroots interventions contribute meaningfully to global development priorities. Our work directly advances **SDG 4 (Quality Education)** through consistent academic outcomes and access to learning resources; **SDG 1 (No Poverty)** and **SDG 10 (Reduced Inequalities)** by enabling upward social mobility; **SDG 2 (Zero Hunger)** through grocery distribution; **SDG 3 (Good Health and Well-being)** via healthcare awareness; **SDG 5 (Gender Equality)** through inclusive education; **SDG 11 (Sustainable Communities)** through rural knowledge infrastructure; and **SDG 17 (Partnerships for the Goals)** through strong collaborations.

Operating in an environment of increasing regulatory oversight, NICE remains firmly committed to **transparency, accountability, and compliance** with Government of India norms. Our institutional strength is supported by **robust audit systems, strong governance practices, and enhanced digital presence**, ensuring that every contribution is translated into **measurable, high-impact outcomes**.

We extend our heartfelt gratitude to the visionary leaders, partners, and well-wishers whose unwavering support has been instrumental in advancing the mission of NICE. We sincerely acknowledge **V C Nannapaneni garu (NATCO Trust)**, **B V Subbarao garu (S V S Projects India Pvt Ltd)**, **Dr A J Prasad garu (HBL Engineering Ltd)**, **Jagannadharaju garu (NetEnrich Technologies)**, **Sridhar garu (Paradigm IT Technologies)**, **P Suresh garu (ICOMM Tele Ltd)**, **Dhanunjay garu (Silver Oaks School)**, **Ayodhya Rami Reddy garu (Ramky Foundation & Online Giving Foundation)**, and acclaimed filmmaker **Krish Jagarlamudi garu** for their continued commitment to social impact. We place on record our deep appreciation to the founders of **TATVA Global School - Vishwanadh Shiva Swamy garu, T. Usha, and Ranga**, whose generous support enabled **large-scale uniform distribution initiatives**. We also thank **L.
